**REQUEST FOR CORRECTION AND REISSUANCE**  
**OF OFFICIAL FILING RECEIPT**

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

After a review of the Official Filing Receipt recently received, an error in the inventor's name has been noted. It is requested that this error be corrected and that Applicant be provided with a new Official Filing Receipt.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, Washington, D.C. 20231 on:

January 28, 2002  
(Mailing Date)

(Date of Signature)

Enclosed for your convenience is a copy of the filing receipt showing the errors circled in red. The errors comprise an incorrect indication regarding the drawings, and an error in the title of the invention. You will note that the filing receipt leaves the number of drawings filed blank, whereas the copy of the international application filed with this application included three sheets of drawings (Figures 1 to 3). Thus, the filing receipt should have indicated "3" under the "DRAWINGS" heading.

Additionally, the title listed on the filing receipt is "System and method for notification of transmission and service cost of using telecommunication", when it should have been "System and method for notification of transmission and service costs of using telecommunication network". Thus, "cost" should have been --costs-- and the word --network-- should have been added after "telecommunication". It is respectfully requested that this error be corrected so that the title will read accurately.

Applicant respectfully requests that these errors be corrected and Applicant be provided a new Official Filing Receipt. Since these errors were on the part of the Patent Office, it is believed that no fee is required.

Respectfully submitted,

Dated: January 28, 2002
